CAPITAL

Blockchain Gaming Advisor

We're looking for a talented Blockchain Gaming Advisor to join the Metavest Operational team. *Who are we?* Born out of a fierce belief in the power of blockchain, Metavest Capital is a metaverse and NFT gaming focused VC fund. Our team's unique combination of blockchain, gaming and finance expertise creates an unfair advantage when it comes to generating value for our partners and returns for our investors, and have quickly established ourselves as leaders in the space.

Location: Cape Town, South Africa or Remote

Job type: Full time/ always

You'll be responsible to scour the metaverse and uncover the highest potential play to earn gaming projects. You'll also maintain relationships with the projects we choose to partner with, as well as advise them on their journey to become a recognised force within the industry. This role is part of a dynamic team with the same goal of unlocking the fullest potential the metaverse has to offer.

What you'll do (a mix of this and more):

- Research the play to earn gaming landscape to find potential projects to partner with
- Participate in consultations with potential partners
- Maintain regular contact with project partners
- Advise projects on optimisation their gaming offer
- Advise on community development, with a special focus on Discord and Telegram
- Be available at any time to support a partner in need

METAVEST
CAPITAL
